Notes: No data are reported when fewer than 10 students in a category were tested, as indicated by an "*".

A curriculum group listing will not appear if no students in the group were tested in either year.

All calculations have been rounded to the nearest whole number. Numbers may not total 100 due to rounding.

The "All Students" category may not sum up to the total across the Standard Curriculum, ESE, and LEP Two Years or Less curriculum groups due to missing classification data.

Grade 2 Stanford Achievement Test, 9th ed. (SAT-9), content scores are not available.

Notes: No data are reported when fewer than 10 students in a category were tested, as indicated by an "**."

A curriculum group listing will not appear if no students in the group were tested in either year.

All calculations have been rounded to the nearest whole number. Numbers may not total 100 due to rounding.

The "All Students" category may not sum up to the total across the Standard Curriculum, ESE, and LEP Two Years or Less curriculum groups due to missing classification data.

Grade 2 Stanford Achievement Test, 9th ed. (SAT-9), content scores are not available.
