No students were tested in the curriculum group in one of the two years, as indicated by an "n/a."

A curriculum group listing will not appear if no students in the group were tested in either year.

All calculations have been rounded to the nearest whole number. Percentages may not total 100 due to rounding.

The "All Students" category may not sum up to the total across the Standard Curriculum, ESE, and LEP Two Years or Less curriculum groups due to missing classification data.
