Notes: Scale scores can be compared from year to year, within each grade level; however, it is not appropriate to make comparisons between subject areas or between grade levels.

No data are reported when fewer than 10 students in a category were tested, as indicated by an "\*" .

No students were tested in the curriculum group in one of the two years, as indicated by an "n/a."

A curriculum group listing will not appear if no students in the group were tested in either year.
