Notes: No data are reported when fewer than 10 students in a category were tested, as indicated by an "**."

No students were tested in the curriculum group this year, as indicated by an "n/a."

All calculations have been rounded to the nearest whole number. Numbers may not total 100 due to rounding.

The "All Students" category may not sum up to the total across the Standard Curriculum, ESE, and LEP Two Years or Less curriculum groups due to missing classification data.
