- To provide meaningful results and to protect the privacy of individual students, data are printed only when the total number of students in a group is at least 10 and when the performance of individuals would not be disclosed. This presentation of data is shown with a dash (–).

* Combined rows only include students with a Writing+ Score, indicating a multiple-choice score and an essay score have been reported.
- Percentages are rounded to the nearest whole number.

*** Percentage is <0.5%

** No students in this grade met the criteria for reporting.

- Reporting category results are not intended for comparison across administrations.
