Gateway to Data (G2D)

To access the Gateway to Data (G2D) website:

- Type in TG.Dadeschools.net in the Firefox web browser
- Click Enter

- Type in your 6-digit employee number in the Username field.
- Type MiamiDade2015* in the Password field (this is a generic password)
- A screen prompts for you to change the generic password to a new password of your preference

The Thinkgate Scanning Software (utilize the same icon as last year)

The Thinkgate Scanning Software icon should appear on the desktop of where the Brother scanner is connected.

- Click on the Elements PPS (Plain Paper Scanning) icon stored on the desktop
- Hold down the Ctrl, Shift, and F9 key simultaneously to enter a web server address
