

Note: Before installing the new G2D Scanning Software 5.0.7, you must remove any previous versions of either Elements PPS or G2D Scanning Software before installing this new version. To remove the old software go to the **Start Menu**, select **Control Panel**, under the Programs section select, **Uninstall a Program**. Locate the **Elements PPS** or **G2D** from the list, then click **Uninstall**. Once the uninstall finishes, proceed with the instructions below.

1
