2013 Reading Student Portfolio Program Guide
INTRODUCTION

The Grade 3 Reading Student Portfolio is administered to all students in grade 3 over the course of the second semester of the school year, between January 22 and May 3, 2013. The portfolio assessment consists of sets of reading passages and accompanying questions, to be selected and administered by the classroom teacher. All students in grade 3 must complete portfolio assessments and the results may be used to demonstrate reading proficiency to justify “good cause” promotion to grade 4 if specified criteria on the Grade 3 FCAT 2.0 Reading assessment are met. See Appendix A for a description of “good cause”.

PROGRAM OVERVIEW

As required by the statewide public school student progression law eliminating social promotion, Section 1008.25, Florida Statutes, a student may be promoted to grade 4 if the student demonstrates reading mastery through one of the following:

1. Florida Comprehensive Assessment Test 2.0 (FCAT 2.0) - reading test score of Level 2 or higher,
   or
2. Grade 3 Reading Student Portfolio - performance on each reading benchmark rated as acceptable (“good cause” criteria),
   or
3. Alternative Standardized Reading Assessment administered prior to the end of the school year – reading percentile rank score of 50 or higher on the Iowa Test of Basic Skills (ITBS) Level 9,
   or
4. Alternative Assessment for Grade 3 Promotion (administered at the end of summer reading camps) - reading percentile rank score of 45 or higher on the Stanford Achievement Test, 10th Edition (SAT-10),
   or
5. Grade 3 Mid-Year Promotion (administered in the fall, following retention) – raw score number correct of 24 or higher on the Iowa Test of Basic Skills (ITBS) Level 10.

The Grade 3 Reading Student Portfolio represents a student’s second opportunity to be promoted to grade 4 for the subsequent school year. It was developed as part of an ongoing effort to document student mastery of the Next Generation Sunshine State Standards (NGSSS) in reading that are assessed on the FCAT 2.0. The district established the portfolio committee which recommended that evidence be collected for all third grade students and that the evidence be uniform throughout the district in order to ensure equity across schools.

2013 Reading Student Portfolio Program Guide
State Guidelines for the Grade 3 Reading Student Portfolio

The State Board of Education established guidelines for the portfolios. As per the guidelines, sixty percent of the passages must be literary and the remaining passages must be informational. The length of the passages may vary from 100–700 words, with an average of 500 words. See Appendix B for a complete list of the guidelines. The portfolio must measure the Grade 3 NGSSS Reading Benchmarks. See Appendix C for the reading benchmarks.

To assist teachers, the district developed the Grade 3 Reading Student Portfolio, which consists of a series of passages that meet the state requirements with accompanying questions in multiple choice format.

Because the purpose of the portfolio is to gather information on student reading proficiency over a period of time, the students must complete a series of passages at various times throughout the second semester rather than within a particular testing window. The evidence must be obtained through a cold read; that is, the first time a student sees a passage he/she must read the passage and respond to the accompanying questions without any assistance from an adult or other student.

According to the State Board of Education, to be accepted as meeting the portfolio option, a student’s portfolio must include at least three examples of mastery per benchmark. The 2012-13 Grade 3 Reading Student Portfolio is comprised of 8 required reading passages which provide multiple opportunities to compile evidence of a student’s reading mastery. In addition, two supplemental passages are provided which may be used on a case-by-case basis if a student is close to demonstrating mastery, and requires a few instances of additional evidence. The 2013 Portfolio Blueprint, showing the types of passages and number and types of questions per benchmark, is located in Appendix D. The teacher may include up to one additional work sample and assessment that meets the state’s criteria for length and reading level. See page 7, Preparation of Materials, for more detailed information about supplemental materials.
# SCHEDULE OF ACTIVITIES
## 2012-13 GRade 3 READING STUDent PORTFOLIO

<table>
<thead>
<tr>
<th>Date</th>
<th>Activity</th>
</tr>
</thead>
</table>
| January 7-11  | Schools receive shipments of portfolios from Comet Delivery Services.  
Schools receive Grade 3 Portfolio answer keys via password protected email. |
| January 7-11  | Mandatory screencast training for all Test Chairpersons.                                                                                  |
| January 11    | Complete the online screencast verification form at [http://www.surveymonkey.com/s/GN65HD6](http://www.surveymonkey.com/s/GN65HD6) by this date. |
| January 22 – May 3 | Teachers administer portfolios to all grade 3 students.                                                                                           |
| Mid-May       | Schools receive 2013 Grade 3 FCAT 2.0 Reading scores.  
For students being recommended for promotion based on the portfolio, school-level staff complete documentation and second reader verifies scores.  
Schools deliver completed *Grade 3 Reading Portfolio Transmittal Form and Roster, Grade 3 Portfolio Promotion Recommendation Form(s), Score Summary Sheet(s), and Teacher-Selected Passage Form(s)* (if applicable) to Regional Center or appropriate office **within 2 days of receiving FCAT scores.** |
| June 3        | Schools pick up signed forms and portfolios from the Regional Center or appropriate office.  
Principals may notify teachers and parents/guardians of the decision to promote or retain students. |
| June 7        | Schools update Integrated Student Information System (ISIS) to reflect approved promotions.                                                   |
STUDENTS TO BE TESTED

All third grade students, including those classified as students with disabilities and/or English Language Learners (ELL), must complete a Grade 3 Reading Student Portfolio.

The only students with disabilities who may be exempted are students who have a current Individual Educational Plan (IEP), are not participating in the FCAT, and are taking an alternate assessment. For exemption from state or district assessments, both of the following criteria must be met:

- The student’s demonstrated cognitive ability prevents the student from completing the required coursework and achieving the NGSSS, even with appropriate and allowable course accommodations.

- The student requires extensive direct instruction to accomplish the application and transfer of skills and competencies needed for domestic, community living, leisure, and vocational activities.

In such cases, alternate assessment information must be added to the Integrated Student Information System (ISIS), as required by the Florida Department of Education.

For further information regarding exemption from state assessment, refer to the five guiding questions on page 2 of insert D of the student’s IEP.

Accommodations for Students with Disabilities, Section 504 Students, and English Language Learners (ELL)

Accommodations must be provided, as appropriate, for eligible students with disabilities, for students who are eligible under Section 504, and for students classified as ELL. Because the activities in the Grade 3 Reading Student Portfolio require students to demonstrate reading ability, the reading passages cannot be read to students as an accommodation. Following are permissible accommodations.

Accommodations for Students With Disabilities and Section 504 Students

The following accommodations are permitted, if needed, for students with disabilities with active IEPs or for students with active Section 504 Accommodation Plans. Teachers should follow the procedures outlined below and give special assistance only to those students who are eligible for such assistance, as per the current IEP or Section 504 Accommodation Plan.

- Flexible Setting. Students may read the passages and individually respond to the questions in a small-group setting under a teacher’s supervision.
• **Flexible Scheduling.** Students may read the passages and respond to the questions during several brief sessions, as long as all testing is completed during the second semester of the school year.

• **Recording of Answers.** Students may mark answers on the pages with the questions or indicate their answers to a teacher. The teacher will then transcribe student’s responses onto the pages with the questions and write his/her initials next to each transcription.

• **Mechanical Aids.** Students may use a magnifying device, a pointer, a noncalibrated ruler or template, or other similar devices to assist in maintaining visual attention to the passages and the questions.

• **Auditory or Sign Language Presentations.** The teacher may sign, provide oral interpretations of, or read general directions. The reading passages must be read by the student using visual or tactile means.

• **Dictionary.** Students who use sign language as their primary means of communication may use an English/sign or sign/English translation dictionary.

### Accommodations for ELL

The guidelines for all ELL are as follows:

1. **Flexible Setting.** ELL may be offered the opportunity to read the passages and respond to the questions in a separate room with the ESOL or heritage language teacher. Because the students are not of legal age, parents must be informed of this option and should be asked for their preferences in the test administration.

2. **Assistance in the Heritage Language.** The heritage language teacher may answer students’ questions about general directions or test questions in a way that the students would not be mistakenly led to infer the correct answer.

3. **Dictionary.** ELL students must have access to an English-to-heritage language dictionary and/or heritage language-to-English dictionary, such as those made available to ELL in an instructional setting. However, a dictionary written exclusively in the heritage or in English may not be used.

4. **Flexible Scheduling.** ELL may read the passages and answer the questions during brief sessions, but all the work must be completed during the second semester of the school year.

### Special Formats for Students with Visual Impairments

Teachers of students who are visually impaired or blind will be sent the large print or...
the Braille format of the reading passages and activities for the *Grade 3 Reading Student Portfolio* and administration instructions. These materials will be sent directly to the students’ home schools. The Braille format should be administered only to those students who require a Braille format, and administered only by the teacher of the Visually Impaired.

The home school will assess students who require the use of a large print format of the reading passages and activities. These students may be grouped with other students with disabilities. Each school must schedule the portfolio activities for these students, including the provision of any appropriate accommodations.

**Notifying Parents/Guardians**

Schools must notify parents/guardians about the grade 3 promotion requirements and the opportunities students will have to demonstrate reading proficiency. This can be done through newsletters, posters, bulletin boards, letters, and during teacher-parent meetings.

**SCHEDULING THE COLLECTION PERIOD**

The reading passages included in the *Grade 3 Reading Student Portfolio* must be conducted in a classroom setting during the second semester of the school year. Passages may not be completed as a homework assignment or outside the classroom. As per State Board of Education action on January 21, 2003, reading activities and tests that took place in the first semester may not be included.

Because the portfolio should represent student reading mastery over a period of time, the teacher has many options regarding when and how the students read the passages and respond to questions.

- The passages must be read and questions answered during the second semester.
- The passages must be administered as a “cold read”, meaning that a student sees the passage for the first time and reads the passage independently.
- The teacher may have the students independently read a passage and answer all the questions for the passage the same day.
- **At no time may the teacher or another individual read a portfolio passage to the student.**
The order or sequence in which the passages are administered should be determined at the school site. The order could be from the shortest to longest passage or the simplest to most complex passage. Another way to schedule the passages is to match the benchmark or theme being emphasized in weekly lesson plans and the passage(s) that contain questions most related to the benchmark or theme being taught. The sequence of passages may vary between schools and/or classrooms within a school.

Based on the students’ needs, each teacher should decide when they will independently read the passages, how much time they will have to read each passage and respond to the questions, the number of reading passages they will read each week, and if they will respond to the questions in writing or individually verbalize their responses to the teacher. (Please refer to the following section, Administering the Test, for additional information on this topic.) It is recommended that no more than two passages be administered each week.

PREPARATION OF MATERIALS

Copies of the district-provided reading passages and questions will be delivered directly to each school by Comet Delivery Services. The number of copies provided is based on each schools’ grade 3 enrollment including an additional overage.

In the event that a student needs an additional demonstration, a teacher may still have the option to select other passages with associated questions to provide evidence of student reading proficiency. These work samples and/or assessments must stem from passages read ‘cold’ by the student during the second semester. Evidence must be available to demonstrate that the benchmarks are assessed at a grade 3 reading level and address the NGSSS. No more than a total of 3 additional passages should be used; in addition to the 2 district provided passages, schools may administer an additional teacher selected passage, if needed. Passages from the 2011-2012 school year are acceptable as long as the passage is read ‘cold’. Please note that retained grade 3 students may have participated in the 2011-2012 portfolio administration and therefore would not be appropriate to use with them.
Grade 3 Portfolio Materials

<table>
<thead>
<tr>
<th>District-provided passages and questions 8</th>
<th>Required</th>
</tr>
</thead>
<tbody>
<tr>
<td>Additional supplemental passages and questions. No more than 3: 2 district provided and/or 1 teacher selected.</td>
<td>Optional (if needed)</td>
</tr>
</tbody>
</table>

If a student is being recommended for promotion based partially on a passage identified by a teacher as a supplemental passage, the teacher must complete the Teacher Selected Passage Form. See Appendix E for a copy of this form. Please keep in mind these passages will need to be approved by the regional center or appropriate administrative office when submitted unless previously approved such as the passages from the 2011-2012 administration.

ADMINISTERING THE PORTFOLIO

The primary reading teacher is responsible for collecting evidence of each assigned student’s mastery of the NGSSS benchmarks.

The reading passages and questions must be completed in untimed classroom settings during the second semester of the school year. Students must be given as long as they need to read the passage independently and answer the accompanying questions. **When students are not using the passages and questions, the materials must be kept in a secure limited-access location.**

Before students begin to read a passage, the teacher should discuss the multiple choice format, and explain how the students are to respond. The teacher may also answer questions about the directions, but may not read the passages or explain the meaning of words in the passages. Students are not allowed to use dictionaries or other aids to assist them in defining the words. (ELL may use an English-to-heritage language dictionary. Students who use sign language as their primary means of communication may use an English/sign or sign/English dictionary.)

While the students must read the passages independently, **the teacher may specify how the students respond to the questions.**

- The teacher may require students to write their answers on the page with the questions. In that case, the students must answer multiple choice questions by bubbling in the letter of the answer they select.

- The teacher may allow any student to verbally respond to the questions in a one-on-one setting if, in the teacher’s professional judgment, a student’s reading comprehension can more exactly be captured by verbally responding to
a question. In the case that a student verbally responds to the questions, the teacher must record the answer verbatim on the student’s response form.

If the teacher records a student’s response, the teacher must write his or her initials next to each entry on the student’s response form.

SCORING

The answer keys for the district-provided reading passages will be provided to each school under separate cover. The answer keys list the benchmark assessed and the correct response for each question.

A correct response for a multiple choice question is equal to one acceptable demonstration; each passage allows for the opportunity to accumulate a total of eight demonstrations. In order to demonstrate mastery of each benchmark, a student is required a minimum of three acceptable demonstrations for each of the fourteen tested benchmarks. As a reminder, when answer keys are not in use, they must be placed in a secure access location. Staff members directly working with the portfolio are the only ones who should have access to them.

COLLECTING AND RECORDING EVIDENCE OF STUDENT MASTERY

The primary reading teacher must keep a record of all students’ mastery on each of the fourteen reading benchmarks. Because the benchmarks are assessed throughout and across reading passages, it is important to maintain a record of the number of successful demonstrations for each benchmark achieved by each student.

Preliminary Recording of Mastery

During the portfolio collection period, the record of each demonstration of mastery can be kept informally. For this stage, teachers have the option of creating their own tracking system. The teacher could simply place a check (✓) on the student’s answer sheet next to each demonstration of mastery, and then note the number of acceptable demonstrations per benchmark for a particular passage on the first page of the student’s portfolio.

The teacher could also maintain a Score Summary Sheet (FM-6721) for each student (Appendix F). The chart should indicate the number of acceptable demonstrations per benchmark for each passage a student completes.
Recording Mastery for Students Who Will Be Recommended for Promotion

A Score Summary Sheet must be completed for each student who will be recommended for promotion based on the results of the Grade 3 Reading Portfolio. Page 1 of this form lists the titles of the district-provided passages and provides space for the teacher to check if the student had an acceptable demonstration on a question. If teacher-selected passages are used to show acceptable demonstrations of a benchmark or benchmarks, then both pages 1 and 2 of the form must be completed.

Second Reading of Responses

For each student who will be recommended for promotion, the student’s responses must be scored by the primary teacher and independently verified by another instructional staff member, such as the school’s reading coach.

The verification is conducted to confirm the accuracy of the score for each passage and to check that the appropriate number of acceptable demonstrations per benchmark is recorded on the Score Summary Sheet. Following verification, the Score Summary Sheet is forwarded to the principal.

RECOMMENDING STUDENTS FOR PROMOTION

For a student to be promoted to grade 4 based on his/her Grade 3 Reading Student Portfolio results, the recommendation must be 1) made by the reading teacher; 2) approved by the principal; and 3) accepted by the district Superintendent or his designated (Regional Superintendent). Two forms must be completed in this process: the Grade 3 Portfolio Promotion Recommendation Form (see Appendix G) and the Grade 3 Reading Portfolio Transmittal Form and Roster (see Appendix H). Documentation of results must accompany the forms, as outlined below.

Identification of Students Who May Be Considered for Promotion

Students who score FCAT Level 1 on the Grade 3 FCAT 2.0 Reading may be promoted for good cause if the student has demonstrated through the portfolio that he/she has mastery of each of the fourteen NGSSS benchmarks in reading. The teacher of a student who wishes to use the portfolio evidence to recommend that the student be promoted for good cause must complete the Grade 3 Portfolio Promotion Recommendation Form.
Completing the Promotion Recommendation Form

A Grade 3 Portfolio Promotion Recommendation Form must be completed for each student to be recommended for promotion to grade 4 based on his/her portfolio. The student’s primary reading teacher must complete the section entitled, Documentation to Demonstrate Mastery of the 3rd Grade Reading Sunshine State Standards, indicating that the student has provided at least three acceptable demonstrations of mastery for each of the fourteen benchmarks.

If student mastery of the benchmarks included any district or teacher-selected supplemental passages, the teacher must provide that information in the section of the form entitled, Evidence of Additional Portfolio Passages of the Grade 3 Portfolio Promotion Recommendation Form.

Procedures for School’s Transmission to Regional Centers

State law requires that recommendations for promotion based on a portfolio must originate with and be approved by the principal, and be accepted or rejected by the superintendent. In Miami-Dade County Public Schools, the Regional Center Superintendents accept or reject the recommendations or, in the case of charter schools, Charter School Operations personnel.

A Grade 3 Reading Portfolio Transmittal Form and Roster, listing the names of the students recommended for promotion, must be signed by the school principal and the second reader and submitted with the Grade 3 Portfolio Promotion Recommendation Forms to the designated administrator. See Appendix H for a sample of the Grade 3 Reading Portfolio Transmittal Form and Roster. The following documentation must be forwarded along with the form.

- Grade 3 Reading Portfolio Transmittal Form and Roster for the school.
- For each student:
  - Grade 3 Portfolio Promotion Recommendation Form;
  - Score Summary Sheet;
  - Student portfolio, including district-provided passages; and
  - Supplemental Passage Forms, passages, and student scored answers, if applicable.
Procedures for Transmission of Region Centers’ Decisions to the School

Regional Center staff review each student’s documentation, rendering a decision regarding the recommendation for each student, as indicated by checking “Promote” or “Retain”. A written explanation must be provided if a recommendation is denied.

The Regional Center keeps the original, signed Grade 3 Reading Portfolio Transmittal Form and Roster and copies of the signed Grade 3 Portfolio Promotion Recommendation Forms. Copies of the signed Grade 3 Reading Portfolio Transmittal Form and Roster and the original Grade 3 Portfolio Promotion Recommendation Forms, Score Summary Sheets, and portfolios from the Regional Centers are returned to the schools.

After receiving notification from the Regional Center, the principal is responsible for informing the teacher and the parents/guardians of each student of the final decision regarding promotion or retention.

MAINTENANCE OF THE PORTFOLIO AT THE SCHOOL SITE

The original approved or denied Grade 3 Portfolio Promotion Recommendation Form and the Score Summary Sheet must be retained in the student’s cumulative folder, and the contents of the portfolio maintained as noted below.

<table>
<thead>
<tr>
<th>Portfolio Records Maintenance</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>For students promoted based on portfolios</td>
<td>3 years</td>
</tr>
<tr>
<td>For retained students</td>
<td>1 year</td>
</tr>
<tr>
<td>For all other students</td>
<td>90 days</td>
</tr>
</tbody>
</table>

Upon request, parents and guardians may be provided with a copy of their child’s Grade 3 Portfolio Promotion Recommendation Form or the progress on the score summary sheet may be discussed. **Portfolio passages are copyrighted and may not be copied or provided to parents and guardians.**

Students Who Withdraw from or Transfer to Schools

As with any other educational record, the student’s Grade 3 Reading Student Portfolio must be transferred to the receiving school when a student transfers. Depending on the time of the year a student transfers, the documentation may vary from one demonstration to an almost completed portfolio.
The registrar at the school from which the student is withdrawing must send the contents of the student’s portfolio to the receiving school. As with other transferred academic records, the receiving school will need to review the contents of the portfolio as well as other performance indicators and achievement data to evaluate the student’s academic standing. The receiving school principal and the student’s primary reading teacher will need to determine if they will consider the existing portfolio contents or if they will collect new or additional demonstrations to evaluate the student’s reading proficiency.

Students who are new to the school district must participate in the portfolio process immediately when entering. Each new student should follow the school’s or the teacher’s administration schedule and, at a later date, read those passages that the student missed before entering the new school.
APPENDIX A – DESCRIPTION OF “GOOD CAUSE”

Section 1008.25, Florida Statutes, effective on January 7, 2003, changed the requirements for school district student progression plans. The law prohibits administrative placement that is without regard to student proficiency. Grade 3 reading proficiency is now the stated focus of accountability. School districts may exempt grade 3 students who demonstrate continued deficiency in reading from mandatory retention for good cause. The good cause exemptions are specified in law and limited to the following:

- ELL who have had less than two years of instruction in an English for Speakers of Other Languages program.
- Students with disabilities whose IEPs indicate that participation in statewide assessment programs is not appropriate.
- Students who demonstrate an acceptable level of performance on an alternative standardized reading assessment approved by the State Board of Education.
- Students with disabilities who participated in the FCAT and who have IEPs or Section 504 plans that reflect that they have received intensive remediation in reading for more than two years but still demonstrate a deficiency in reading and were previously retained in kindergarten or grades 1, 2, or 3.
- Grade 3 students who have received intensive remediation in reading for two or more years but still have a deficiency in reading and were previously retained in kindergarten, grade 1, 2, or 3 for a total of two years.
- Students who demonstrate, through a student portfolio, that they are reading on grade level as evidenced by demonstration of mastery of the NGSSS in reading equal to at least a Level 2 performance on the FCAT.
APPENDIX B – SUMMARY OF PORTFOLIO GUIDELINES

The guidelines were released by the State Board of Education on January 21, 2003.

To be accepted as meeting the portfolio option for demonstrating mastery of the required reading skills, the student portfolio contents must:

- be an accurate picture of the student’s ability and only include student work that has been produced independently in the classroom.

- include evidence that the benchmarks assessed by the Grade 3 Reading FCAT 2.0 have been met. This includes passages that are approximately 60% literary text and 40% informational text, and that are between 100-700 words with an average of 500 words. Such evidence could include chapter or unit tests from the district’s/school’s adopted core reading curriculum that are aligned with the Next Generation Sunshine State Standards (NGSSS) or supplemental/teacher-prepared assessments that are aligned with the NGSSS.

- be an organized collection of evidence of the student’s mastery of the NGSSS Reading Benchmarks that are assessed by the Grade 3 Reading FCAT 2.0. For each benchmark, there must be at least three examples of mastery as demonstrated by a grade of C or above.

- be selected by the student’s teacher.

- be signed by the teacher and the principal as an accurate assessment of the required reading skills.
### Benchmark Number | Benchmark Wording
--- | ---
LA.3.1.6.3 | The student will use context clues to determine meanings of unfamiliar words.
LA.3.1.6.7 | The student will use meaning of familiar base words and affixes (prefixes and suffixes) to determine meaning of unfamiliar complex words.
LA.3.1.6.8 | The student will use knowledge of antonyms, synonyms, homophones, and homographs to determine meaning of words.
LA.3.1.6.9 | The students will determine the correct meaning of words with multiple meaning in context. *Also assesses LA.3.1.6.6 The student will identify “shades of meaning” in related words (e.g., blaring, loud).*
LA.3.1.7.2 | The student will identify the author’s purpose (e.g., to inform, entertain, explain in text and how and author’s perspective influences text.
LA.3.1.7.3 | The student will determine explicit ideas and information in grade-level text, including but not limited to main idea, relevant supporting details strongly implied message and inference, and chronological order of events.
LA.3.1.7.4 | The student will identify cause-and-effect relationships in text.
LA.3.1.7.5 | The student will identify the text structure and author uses (e.g., comparison/contrast, cause/effect, and sequence of events) and explain how it impacts meaning in text.
LA.3.1.7.6 | The student will identify themes or topics across a variety of fiction and nonfiction selections.
LA.3.1.7.7 | The student will compare and contrast elements, settings, characters, and problems in two texts.
LA.3.2.1.2 | The student will identify and explain the elements of story structure, including character/character development, setting, plot, and problem/resolution in a variety of fiction.
LA.3.2.1.7 | The student will identify and explain an author’s use of descriptive, idiomatic, and figurative language (e.g., personification, similes, metaphors, symbolism), and examine how it is used to describe people, feelings, and objects.
LA.3.2.2.1 | The student will identify and explain the purpose of text features (e.g., table of contents, glossary, headings, charts, graphs, diagrams, illustrations).
LA.3.6.1.1 | The student will read informational text (e.g., graphs, charts, manuals) and organize information for different purposes, including but not limited to being informed, following multi-step directions, making a report, conducting interviews, preparing to take a test, and performing a task.

# APPENDIX E – TEACHER-SELECTED PASSAGE FORM

## MIAMI-DADE COUNTY PUBLIC SCHOOLS

### 20___ ___ GRADE 3 READING PORTFOLIO

## SUPPLEMENTAL SELECTED PASSAGE FORM

**STUDENTS BEING RECOMMENDED FOR PROMOTION**

**Directions:** This form is to be used for each passage added to the portfolio by the teacher. The completed form must be stapled to the top of the supplemental reading passage and student responses that are submitted to the principal and to the Region Center. If the same passage was used in more than one student’s portfolio, this form must be completed for each student.

<table>

2013 Reading Student Portfolio Program Guide
Directions: This form must be completed for each student who will be recommended for promotion based on the portfolio. Each time the student’s response is an acceptable demonstration, place a “Y” in the “AD” column for the benchmark. In the “Number of Acceptable Demonstrations” column, write in the total number of acceptable demonstrations across all the passages for the particular benchmark. If supplemental passages are used, complete pages 1 and 2 of this form. The “Number of Acceptable Demonstrations” column on page 1 must reflect demonstrations on both district-provided and supplemental passages from page 2 as directed.

2013 Reading Student Portfolio Program Guide
APPENDIX G – PROMOTION RECOMMENDATION FORM

Miami-Dade County Public Schools
Grade 3 Portfolio Promotion Recommendation Form

Directions: All information must be completed and all supporting documentation attached. Student work must be independently produced in the classroom. A minimum of three examples of mastery for each of the fourteen reading benchmarks must be provided. The signatures of the teacher and the principal certify the portfolio contents as an accurate assessment of the NGSSS required reading skills. The primary reading teacher who assigns the reading grade on the report card should sign this form.

<table>
