

## **Naglieri Nonverbal Test (NNAT)**

### **Grade/Students**

All students in Grades 1 and 4.

### **Date**

Administered in the Fall of each school year.

### **Description**

The Naglieri Nonverbal Ability Test (NNAT) is a culture-fair and language free assessment that measure students' nonverbal reasoning and problem-solving ability. The purpose of the NNAT will be to screen and test candidates for potential placement in gifted programs in conjunction with other administered assessments.

### **Results**

The NNAT will be administered at the school site and scored by Harcourt Brace Educational Measurement.

### **Basis of Test**

District mandate.
