

The Iowa Test of Basic Skills (ITBS) The Iowa Test of Educational Development (ITED)

Grades/Students

Eligible students in grades K-12 for gifted plan B placement, as needed.

Date

The assessments are administered as needed.

Description

The Iowa tests are norm-referenced achievement assessment tests used in the district on an as-needed basis for two purposes. They are administered to students recommended for placement into the gifted program who lack test scores for determining eligibility. This process is outlined in the *District Plan to Increase the Participation of Underrepresented Students in the Gifted Program*.

The Iowa tests may also be used for further evaluation for those students in K-12 eligible for the Academically Challenging Curriculum to Enhance Learning (ACCEL) options.

Results

Scores are used for placement purposes.
