

Florida Kindergarten Readiness Screener (FLKRS)

Grade/Students

All new students in Kindergarten.

Date

This assessment is administered within the first 30 days of each school year.

Description

The STAR Early Literacy will assess kindergarteners' early literacy and numeracy skills. The assessment is an online, adaptive instrument that students complete independently in approximately 15-20 minutes. This tool will be used to determine VPK providers' readiness rates.

Results

School Report of Student Results and School Summary Results are provided online by the contractor in December/January.

Basis of Test

State mandate
